MAYAR SILK MILL WORKERS ON STRIKE

The 2nd Branch (Chaotung Road, Chapei) and 9th Branch (Route de Zikawei) of the Mayar Silk Mills employ more than 200 workers of both sexes. At 3 p.m. yesterday the workers went on a strike and submitted the following demands:-
1) That the payment for every foot of silk woven be increased by one cent.

2) That the grading system be abolished.

(Note: The managements have a labour contract system. The raw material etc. are supplied by the management, but control over the employees is placed in the hands of labour contractors. The managements of the 2nd and 9th Branches will take up this matter with the various labour contractors.)

The People's Movement Section of the local Tangpu and the General Labour Union detailed officials to make investigations at the factories and to mediate. As a result of the mediation, the strikers of the 9th Branch resumed work, being out one hour only.

As regards the strikers of the 2nd Branch, the management called in the representatives of the workers and the various labour contractors to discuss the matter. The discussion, which lasted from 5 p.m. to 8.30 p.m., had no result. The workers are therefore still on strike to-day.

Trouble at the Mei Foong Silk Weaving Factory Settled

To support their demand for an increase of wages, the workers of the Mei Foong Silk Weaving Factory went on a "go-slow" strike the other day.

It is reported that the trouble was settled yesterday by the management agreeing to increase by \$0.005 the payment for every yard of silk woven.

Bureau of Social Affairs to Mediate

On the advice of an official of the Bureau of Social Affairs, the strikers of the Han Foong, the Yau Foong and the Dah Hsin Silk Weaving Factories resumed work on August 25.

The Bureau of Social Affairs will hold a mediation meeting on August 29.

Ta Kung Pao and other local newspapers:

HUT DWELLERS TO HOLD MEETING TO-DAY

Mayar Silk Weaving Factories - strike

The 300 workers of the Mayar No.2 Silk Weaving Factory, 619 Chiaotung Road, Chapei, and 180 workers of the Mayar No.9 Silk Weaving Factory, 1001 Route de Zikawei, declared a strike at 3 p.m. August 25 in order to enforce a demand for a wage increase ranging from \$0.01 to \$0.015 per metre of silk woven.

Of the 180 workers of the Mayar No.9 Silk Weaving Factory, 130 resumed work two hours later on the advice of their foreman who promised to refer their request to the General Manager, while the remaining 50 casual workers returned to work at 8 p.m. August 26 when the management granted them a small increase in wages.

The workers of the No.2 Factory, however, continue on strike this morning, August 27, and it is learned that the Chinese Authorities will mediate in the dispute.

After some discussion, it was agreed to accept the concessions and advise all workers to resume work on August 24. The majority of the workers appear to be satisfied with the concession.

Sir,

I beg to report that at 8 a.m. 24/8/36, Mr. Chang Vung Chao (姜文藻) manager of the above silk factory, employing 136 male and 65 female workers, came to Station and reported that on the afternoon of the 20/8/36, 130 male employees, went on strike, when their demands for an increase of wages was turned down by the management.

Subsequent enquiries by C.D.C. 294 and the undersigned ascertained that at about 4 p.m. on 12/8/36, a petition was submitted through the watchman to the management of the factory by a body of 130 male workers demanding an increase of wages of one and half cent per yard of silk and increase of 2 yards of the length for each roll of silk (the actually length of each roll of silk is 50 yards but usually cut to 40 or 42 yards for the benefit of the factory). This demand was turned down by the management. At about 3 p.m. on 13/8/36, another petition was personally submitted to the manager by 2 representatives of the male workers named Zee Lien Seng (徐連生) residing at No. 71 Sai Yuen Faung (三源坊) alleyway, Yangtszepoo Road, Kyung Zung Soeng (金成砵) residing at the same alleyway, making a further demand on the same subject.

After negotiation, the management agreed to increase half cent wages for each roll of silk and increase of 2 yards for the length of each roll of silk.

During the afternoon of 20/8/36, 130 male employees suddenly walked out. At about 4 p.m. on 21/8/36, 3 representatives named (1) Loo Ping Ziang (羅炳祥) residing at 153 Sai Yuen Faung alleyway, Yangtszepoo Road, (2) Shen Ching Yuen (沈才元) residing at No. 37 Loong Zung Li (隆盛里) alleyway, Pingl

Road, (3) Zung Sih Yeu (程錫賢), residing at Lane 2181, Yangtazepoo Road, interviewed the manager and made a further demand of increase of wages from half cent to one and half cent per roll of silk and the increase of length from 40 yards to 45 yards per roll of silk.

However this further demand was flatly refused by the management. The representatives walked away and the 130 male workers failed to turn up to work. There are at present 65 females and 6 male apprentices carrying on work as usual.

The management has decided to employ 30 to 40 new men on the afternoon of 24/8/36 to replace a part of the strikers, but for fear of trouble created by the strikers, they request Police protection. In compliance with the manager's request, detectives have been posted at the factory, from 6.30 a.m. to 9 p.m. from to-day. In addition to detectives' observation duty, the Uniform men on patrol have been warned to pay particular attention to this industry/concern as a precaution measure against any possible disturbance by the strikers.
